

I have Cingular Wireless Phone service for which I paid a \$750.00 deposit in December of 2001. I paid my phone bill on time every month and my contract states that I will receive the deposit back at the end of the year. The year was up in December but despite weekly calls to Cingular I have not received my money back. I have threatened legal action to no avail. They told me today that they are taking my April payment from the 750 and will refund me the difference. I was very angry to hear that because that is not in my contract. I hope you can help me with this problem.
